

## FOUR WINDS MAH JONG V.2 ORDER FORM

This order form is to be used only when you wish to pay by making a Foreign Payment Order (direct deposit to Lagarto's bank account), or a PayPal payment, or if you wish to use a check. If you want to pay with a credit card, please use our online ordering system at [www.4windsmj.com/purchase.htm](http://www.4windsmj.com/purchase.htm).

Fill out this order form and send it to [sales@4windsmj.com](mailto:sales@4windsmj.com), or fax it to +358-9-759 40 400, or send it by postal mail to Lagarto, Vuorenpaikontie 5 A 112, FI-00820 Helsinki, Finland.

By using this order form you can buy the registration code directly from Lagarto at the price of **EUR 30**, or an upgrade license at **EUR 15**. The registration number and the download address for the latest full version will be e-mailed to you (or sent by regular mail if you do not have an e-mail address). With the registration information you can enable all the features of the game.

- For a Foreign Payment Order, please make a **EUR 30** (or EUR 15 for the upgrade) deposit to Lagarto's bank account: Danske Bank, Finland, BIC/SWIFT code PSPBFIHH, International Bank Account Number FI0980001270864920. Please remember to send this order form for the delivery of the registration information.

If you live in an EU country, but your domestic currency is other than euro, you should make sure that all banking costs are paid by the sender (and not the receiver, since the costs might exceed the amount of the registration fee). If you live in a non-EU country, please check the costs from your bank since they may exceed the price of the registration.

- If you wish to use PayPal, please make a deposit to [lagarto@lagarto.fi](mailto:lagarto@lagarto.fi) and send this order form for the delivery of the registration information.
- If you wish to use a check, please send a TYPEWRITTEN check payable to Lagarto in your LOCAL currency and add EUR 13 for banking costs.

**NOTE: The registration fee does not include disc media – the registration number only makes the downloadable version fully functional. However, you can order the game on a CD-ROM at an extra cost of EUR 10 + shipping. This is useful if you wish to have a backup copy easily available or avoid large downloads.**

**Note:** The fields marked with an asterisk (\*) are required. For instructions, double click the **question mark** buttons.
